The resolution waives all points of order against that amendment in the nature of a substitute. The resolution makes in order only those further amendments printed in this report. EXPLANATION OF WAIVERS

Although the resolution waives all points of order against consideration of the bill, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against the amendment in the nature of a substitute made in order as original text includes a waiver of clause 7 of rule XVI, which requires that no motion or proposition on a subject different from that under consideration shall be admitted under color of amendment. It is important to note that while the waiver is necessary, all of the measures contained in Rules Committee Print 113–55 are directly related to the Endangered Species Act and have been reported by the Committee on Natural Resources.
